Office of the Registrar
Winter Session Election Form (Away from Vassar)

Instructions:

In order to be assured that the course(s) you plan to enroll in is transferable back to Vassar College, you need to complete the form below, attach a course description and/or course syllabus (which indicates the amount of credit awarded by the institution), and secure the following signatures:

Academic Adviser – Your Pre-Major or Major Adviser needs to sign below to verify that the course(s) you plan to enroll in is appropriate for your program at Vassar, either in fulfillment of a major requirement or as an elective.

Department Chair – Courses from other institutions for which you wish transfer credit must be accepted into one of the existing departments of the College. The course does not have to be an exact equivalent of a Vassar course, but it does have to reside in an existing department. The signature of a Vassar Department Chair signifies that the course is close enough in content to be listed on your transcript with that department’s designation. Placement in additional Vassar courses within this department is totally at the discretion of the department.

Registrar – This office checks to make sure that the course is offered at the appropriate college level, that the institution is fully accredited, and that the number of Vassar Units to be awarded is proper based on the amount of credit awarded by the outside institution. **All transfer credit must adhere to the full Vassar policy on acceptance of transfer credit which is available on the Office of the Registrar’s Web Site.**

Preapproval is tentative and final approval of transfer credit is determined upon receipt of official transcript.
